

## LIFE at 30 – Spotlight Talk

Celebrating the achievements of island LIFE projects with the RSPB

Thursday 19<sup>th</sup> May 2022 10.00-12.00 (GMT+1)

As part of this year's Invasive Species Week, RSPB staff reflect on a decade of work to eradicate invasive predators from islands

Welcome and introduction from our Chair: **Sophie Thomas**

Protecting and restoring the Shiant Isles SPA (black rat eradication): **Laura Bambini**

Safeguarding Orkneys native wildlife from invasive non-native stoats: **Sarah Sankey**

Maintaining and enhancing the Isles of Scilly SPA (brown rat eradication): **Jaclyn Pearson**

Rathlin Acting For Tomorrow (brown rat and ferret eradication): **John Kelly**

TBC - **Karen Varnham**

Biosecurity for LIFE: **Thomas Churchyard**

The talks will be 15 minutes each with questions held until the end of the session
